

Southwest Missouri Miata Club

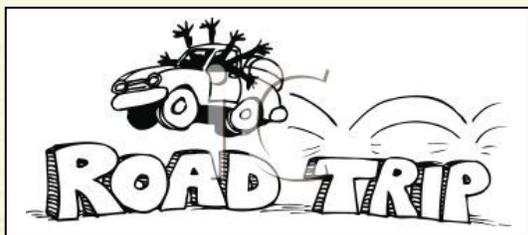

Huggin' our curves!

March 2014

Last Saturday was a perfect day to get out and enjoy the Miatas! A few of us meet at The Breakfast Nook in Buffalo where we had a nice breakfast and a short meeting. We were joined by a potential new member, Matt, who found us on the internet and wanted to check us out. He joined us for breakfast and the drive. It was very nice to meet him and we hope he ~~will~~ join the club and the rest of you can meet him too.

After breakfast, Lonnie led us on about a 150 mile drive through the back roads and we saw some amazing scenery. We live in a beautiful country!
