SW Missouri Miata Club

Get your motor running... head out on the highway.... Yep, we are ready for another fun day of driving the Miatas over the countryside!

March meeting was held at Reliable Mazda in their beautiful showroom and they provided lunch! Be sure you tell Aaron Branson (the manager) how much you appreciate their support of our club.

OUR THANKS to Lonnie for a super drive after the March meeting! We saw some beautiful countryside and had a chilly, but wonderful drive.

REMEMBER

Express Press in Springfield has our logo on file and can embroider or screen print any shirt or hat for you! You can buy the shirt there or bring in your own. Prices range from \$14 to \$40 depending on the shirt and how many colors you choose to use in the design. We had shirts embroidered a couple of years ago and I think we paid \$14 each. They look very nice! Check them out -

Alley Spring

With its beautiful turquoise water, Alley Spring has a 100 year old grist mill which you can tour. The mill is open daily from 9:00 a.m. to 4:00 p.m. from Memorial Day through Labor Day. Stop in for an up close look at one of the Ozarks' most famous landmarks. There is no charge, but donations help offset operating costs. Located six miles west of Eminence, Missouri, on State Highway 106. Books and postcards may be purchased at the mill. The mill machinery is no longer operational, although restoration efforts are underway.

Also in May: Our club has once again been invited to participate in the 10th Annual Clever Band Car Show on May 16. We have entered this show before and it was a lot of fun.
