

Historic Route 66 trip

What an awesome trip that was!!!

Those of us who could not go on this trip are very anxious to hear all the tales of your experiences, and we KNOW there will be several! LOL!! (photo cred to the Tartars - as I grabbed these off FaceBook :D)

REMINDER FOR THIS WEEK

July 8: Annual club BBQ. Lunch & meeting will be at Lonnie's house in Tunas. He will cook hot dogs & burgers, we will bring the "go withs." Make your plans – this is always so fun! If you need directions let me know and we will supply those.

Aug 12: Dr. Lee was looking into Dogwood Canyon; however I believe they have experienced flooding and at least parts of it are closed. Dr. Lee, maybe you can let us know of some other destination that sounds fun.

Sept. 9: Possibly a shopping trip to Old Towne St. Charles? Sounds like a good time.
