

Greetings fellow zoomers! Welcome to May! Yep, it's here and hopefully some drier, warmer weather along with it.

Our April meeting/drive was so very nice. We met a new couple and they decided to join us! Please welcome Rex and Linda Lear from Stockton, Missouri. So happy to have them as part of our club!! We had such a great day driving to Mammoth Spring, Arkansas last month; had a yummy lunch at Fred's Fish House and then viewed the Spring and walked around the grounds. It's so pretty and interesting facts.

This month we are looking forward to going out to the Carter's farm: Here is the plan:
May 13: Meet at Village Inn on South Campbell at 9:30 a.m. After breakfast/meeting will drive out to Dick & Sharon Carter's farm and see their Alpacas and other animals.

 Be sure you check out our website and see the updated pics and information. If you would like to have individual pics of you along with your car and any information about the cars, please send that to me and we will see about getting it posted. Here is an ad from our website for sale:
